

## Book Love Foundation Summer Book Club Frequently Asked Questions

### Registration & Shipping:

- ***I am confused about the different options - which one is right for me?***
  - Online Content Only (\$65): Pick this option if you just want to access the online contents. With this option, you will not receive any shipment from us, including books and Book Love swag.
  - Elementary School **OR** Middle School **OR** High School Selection (\$140): Pick this option if you want to purchase books and swag from the Book Love Foundation. Make sure you select the correct group - Elementary, Middle, or High School.
  - Elementary **AND** Middle **AND** High School Selection (\$220): Pick this option if you want to purchase books for all grades (Elementary, Middle, and High Schools). With this option, you will get 10 books and one set of swags.

We do NOT offer any options for smaller bundles such as Elementary and Middle School, Middle and High School, and Elementary and High School.

For any questions about the package options, please refer to the [comparison table](#).

- ***When will the books ship? (This applies to book & swag orders only!!!)***

Our fulfillment partner will process and ship the order within a week from when you place the order. Once the package is shipped, an email with tracking information will be sent to the address you used to place the order. **If you do not receive shipping confirmation email, please check your spam folder. If you are concerned about your ability to receive shipments, we recommend that you purchase Online Content Only package for \$65 and purchase your own books.**
- ***Do you charge for shipping?***

Shipping fees are included in the package price for delivery addresses in the United States. Due to the high cost of international shipping, there will be a **\$45 surcharge for all shipments to addresses in Canada**. We do not ship to any other countries. For those joining us from outside of US or Canada, please purchase the Online Content Only package and purchase your own books through your local resources.
- ***I purchased the wrong package, can I do an exchange or get a refund?***

The Book Love Foundation is a nonprofit organization where every dollar earned is donated to support K-12 teachers and fund their classroom libraries. Therefore, we

cannot offer exchange or refund of your purchase. **Your purchases are final so please take extra care and make sure that you are ordering the correct product.**

- ***Do you accept Purchase Orders?***

We will accept purchase orders **ONLY** for those making payments using credit cards through the Book Love Foundation store. **Please keep in mind that we do not reserve inventory for items listed on PO and therefore items you are interested in may sell out while you process your PO and prior to making the payment (and purchase).**

**NEW - Accessing Online Content:**

Starting 2022, we will be using a private community on Mighty Networks called Book Love Foundation Community. We're making this move so we can have a more collaborative and focused experience without the distractions of social media network. This is a private community where we have control and ownership of our contents. You'll no longer see sponsored ads or feeds.

In order to access private summer book club contents, you'll first need to have an account on [Book Love Foundation community](#). If you do not have an account, please join the community before requesting access to the Summer Book Club 2022 private space. **Book Love Foundation community will be the only platform for Summer Book Club 2022 discussions and resources.**

Once order is received, an email with instructions on how to gain access to the private summer book club 2020 contents and navigate within the community will be sent to the email address used to place the order. **If you do not receive welcome/information email, please check your spam folder.**

Before we approve your access request, we verify your name in the Book Love Community account against the name used to purchase one of the book club packages. If we are unable to find a match, we will contact you to confirm the order by requesting your order number for verification. **If someone else placed the order for you, please have the purchaser contact us at [bookclub@booklovefoundation.org](mailto:bookclub@booklovefoundation.org) with the recipients' name(s) and email address(es).**

Discussion threads for each book are organized under specific book title in the "Topics" area within the Summer Book Club 2022 private group. You will also find all archived live interviews under the "Conversations with Authors & Educators" section. ## Professional Development Credit:

Some participants may want to obtain professional development credit for their participation in the Summer Book Club, and may be able to have their fee paid for by their school. At the conclusion of Summer Book Club, we will post a professional development certificate of completion on the Summer Book Club 2022 community page. Since everyone dedicates different amounts of time to the Book Club, each participant will need to fill in the hours spent based on the individual's involvement.
