Online Content:

How do I access online discussion and Live interviews? Once you have registered for the 2021 Summer Book Club by purchasing one of the club options, you can request to join the group at www.facebook.com/groups/booklovesummerbookclub2021/. Please make sure you answer the question when requesting to join so we can verify your identity with a

valid registration (often participants don't use the same name on Facebook as they may have used when registering).

From within the Facebook group, you can find discussion threads for each of the books under the "Guides" tab located below the cover photo. Participate in the discussions by selecting the book you are interested in. If you miss any of the FB Live interviews, you can find them archived under the "Media/Video" tab.

Is Facebook the only option for online discussions - have you considered any other platform? Yes, our online contents and discussions are hosted on Facebook group page only. We continue to research and review other platforms for online discussions and found that Facebook with its social learning guides provide the best format, making it easier for participants to locate and access discussion topics. However, we do understand some of you are reluctant to join Facebook and we hope to be transitioning to another platform by 2022.

What is the schedule for Facebook Live interviews? The schedule of interviews is constantly being updated as we add more speakers. You can find the latest schedule at <https://www.booklovefoundation.org/summer-book-club-schedule>

I participated last year – what will happen to my access to the Facebook group page? If you were a member of 2020 Summer Book Clubs, you will continue to have full access to 2020 Summer Book Club Facebook group page through end of the summer. At the end of summer 2021, previous Summer Book Club Facebook group pages (2020 – 2018) will be closed to all new discussions but you can still access it to see existing posts.

Professional Development Credit:

Some participants may want to obtain professional development credit for their participation in the Summer Book Club, and may be able to have their fee paid for by their school. Information about the Club from a PD perspective may be found [here](#). At the end of the summer, we will provide a certificate to participants to submit for PD credit. Since everyone dedicates different amounts of time to the Book Club, we leave that part blank and ask the participant to fill that in based upon their own individual involvement.
