

# Daniel Nero

*East Las Vegas, Nevada*

Daniel teaches AP Language and AP Literature at Equipo Academy, a college preparatory school that serves students from East Las Vegas, NV. As a teacher, he creates curriculum with activities and texts that celebrate the diversity of the student population and reflect the rigor of college. As the library manager, he collaborates with student volunteers in organizing events and creating BookTok-like videos to help students find their next good-fit book.

Mr. Nero cultivates spaces of inquiry and positive risks, because he knows that those kinds of spaces allow students to explore and reach their full potential. He believes deeply that the students that he serves are the future journalists, authors, educators, and changemakers of the community.
